**Public Notification: RSPO Recertification Audit of Sedenak Palm Oil Mill, Johor Plantations Berhad (RSPO Membership: 1-0080-09-000-00)**

Dear Stakeholders,

This is to inform that Sedenak Palm Oil Mill under the Parent company Johor Plantations Berhad with RSPO membership number (1-0080-09-000-00) had appointed BSI Services Malaysia Sdn Bhd ("BSI Malaysia") to conduct the Recertification Audit located at Kulai, Johor, Malaysia. The audit will be conducted from 24/09 to 27/09/2023 against the requirements of Malaysia National Interpretation 2019 of the RSPO P&C 2018 . The supply chain model is Mass Balance.

RSPO PO ID number of the Sedenak Palm Oil Mill is: RSPO\_PO1000000019

Kulim (Malaysia) Berhad (KULIM) has consolidated all of its plantation business under its subsidiary, Johor Plantations Berhad (formerly Mahamurni Plantations Sdn Bhd).

The move is due to a business transformation at KULIM which involves Johor Plantations managing KULIM's landbank of more than 60,000 ha, 23 estates, five mills, and trading & services activities in Malaysia, including its renewable energy initiatives comprising a biomethane plant and five biogas plants.

The renaming of the subsidiary to Johor Plantations is in line with its vision to be widely recognised as an integrated plantation company that produces high-quality, sustainable and traceable speciality oils and fats. The new name gives the company a sense of origin since its estates, mills and operations are almost entirely located in the state of Johor. This includes the close business relationship the company has with Johor smallholders.

The reorganisation is part of KULIM's ongoing five-year business transformation to be a progressive, efficient, profitable and respectable agribusiness company in the region. It also establishes KULIM as the agribusiness group of its parent company, Johor Corporation (JCorp).
