About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change, to win the talent war and to outperform the competition, they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option.

BSI Training Academy is key to this, supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

Our approach - accelerated learning via participation in activity-based learning and sharing with peers.

Expert tutors in their field - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

Internationally recognized BSI certificates. A BSI Training Academy certificate is a mark of expertise, quality and integrity.

BSI Blockchain-based solution - enables you to showcase your achievements with just on click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains. [Watch demo.](#)

BSI Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust (professional badge).

The BSI 'Professional' badge is used by individuals who have passed a BSI training course successfully.

The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information.

In addition to highlighting a person's professional competence, it also provides confidence and help you stand out.

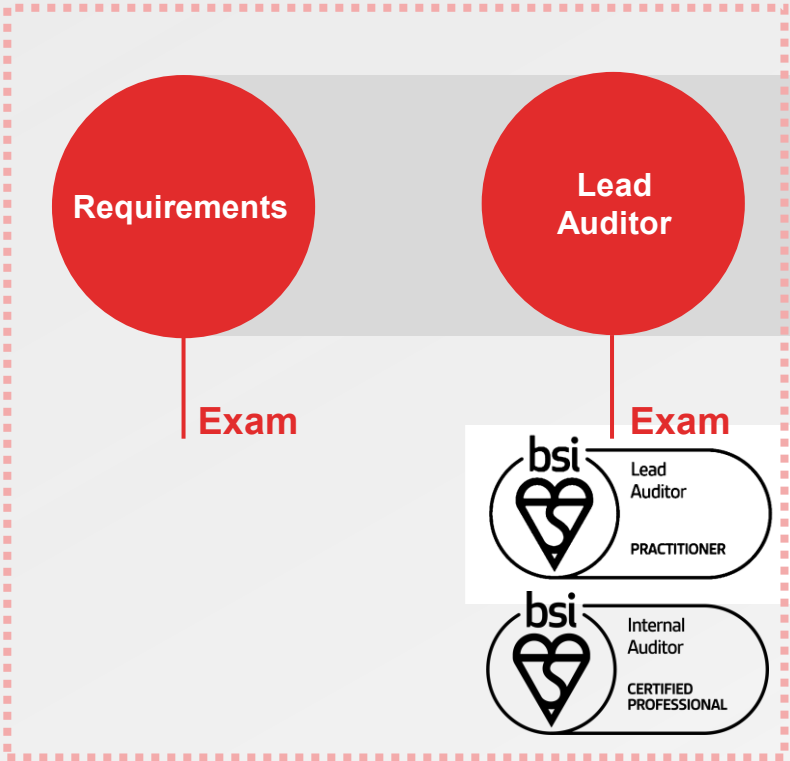

BSI Personal Qualifications

*Internal and Lead Auditor routes are available across the core standards portfolio.

BSI Personal Qualifications

Internal and Lead Auditor Qualification Pathways*

There are currently two pathways, depending on your specialism:

- Project Information
- Asset Information

BIM Project Information qualifications

BIM is used by project managers to improve communication, coordination and collaboration on projects.

Your BIM Project Information qualification can help you to drive BIM projects, increasing the operational efficiency of project teams.

BIM Asset Information qualifications

Owners of large properties, estates or portfolios of assets need to be confident that their assets are maintained effectively and cost efficiently for operational and maintenance purposes.

Having a qualification in BIM Asset Information will give confidence in your skills and experience.

*Internal and Lead Auditor routes are available across the core standards portfolio.

BSI Registered courses for NITTP

What is NITTP?

New Industrialisation and Technology Training Programme (NITTP) is a funding scheme under the Innovation and Technology Fund that subsidises local companies on a 2:1 matching basis to train their staff in advanced technologies, especially those related to "New Industrialisation". Each company is subject to a funding ceiling of HK\$500,000 in each financial year at the course commencement date. Companies should contribute no less than one-third of the actual training cost. There is no limit on the number of eligible trainees from each company for each training course. Learn more: <https://nittp.vtc.edu.hk/>

New Industrialisation and Technology Training Programme (NITTP) aims at subsidising local companies on a 2:1 matching basis to train their staff in advanced technologies, especially those related to "New Industrialisation"

The Construction Innovation and Technology Fund (CITF) was established by DEVB to encourage wider adoption of innovative construction methods and new technologies in the construction industry with a view to promoting productivity, uplifting built quality, improving site safety and enhancing environmental performance.

Pilot Green and Sustainable Finance Capacity Building Support Scheme is administered by the Secretariat of the Centre for Green and Sustainable Finance to support talent development in GSF by providing subsidies to market practitioners as well as prospective practitioners in taking up relevant training and acquiring relevant professional qualifications.

- Schedule and prices are subject to change without prior notice. In case of any dispute, BSI Hong Kong reserves the right on the final decision.
- Delegate can enjoy Early Bird Price (15% off based on the original price - Promotional code : 15EB) for payment settled 3 weeks prior to the course commencement date.
- Delegates can enjoy Group Discount Price (20% off based on the original price -- Promotional code : 20GD) for enrolment of group of 3 or above. All the delegates have to be from the same company, attending same training course and schedule).
- Promotional codes are not applicable to NITTP/ CITF/ Pilot GSF Capacity Building Support Scheme courses and any CCBM/ CCBC trainings.
