Training Schedule  
July - December 2025

# About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change, to win the talent war and to outperform the competition, they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option. BSI Training Academy is key to this, supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

**Our approach** - accelerated learning via participation in activity-based learning and sharing with peers.

**Expert tutors in their field** - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

**Internationally recognized BSI certificates** - a BSI Training Academy certificate is a mark of expertise, quality and integrity.

**BSI Blockchain-based solutions** - enables you to showcase your achievements with just one click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains.

# Learn in a way that works for you

Flexible and adaptable delivery methods to ensure your learning solution maximizes your strategic goals, whilst adapting to varying learning styles, levels of expertise, and location of you and your teams.

## **Virtual instructor led training (VILT)**

With BSI's **live online training**, you can take the same high-quality classroom course with the same expert tutor, simply delivered in a virtual environment, regardless of where you're located.

## **Instructor led training (ILT)**

Our public training courses also offer as ILT, also known as **classroom-based**, take place in convenient locations across Malaysia.

## **In-house**

An in-house training course is one held at your premises and is open only to your employees. Training in-house eliminates travel expenses and additional time away from the office.

## **On-demand eLearning (OD)**

Our eLearning courses are great for learners that need an introduction or refresher on a particular topic. eLearning is a self-directed, interactive learning experience - at a time, place, and pace that best suits you.

## **HRD Corp Claimable Course**

Most of our training courses are HRD Corp Claimable Course. Talk to our training advisors for more details or refer to [HRD Corp official website](#).

If you think you may need training in a different format then please contact us to discuss what alternative options we have available.

Create your training and development programme with BSI training courses.
