

Why choose the **BSI Academy?**

We're proud to provide high impact, engaging and inspirational learning, sharing best practice for successfully embedding key ISO standards and driving business improvement.

When choosing your learning partner, it's important to consider content quality, expertise, experience, flexibility, impact and value. We aim to exceed all of these and more.

What makes the BSI Academy the standout choice?

"We have a great relationship with BSI. Their approach has supported in delivering development – at a business level and for our people individually.

> **Craig Hardingham** (Sweco UK & Ireland)

From the source

As the UK National Standards Body, we've helped shape top ISO standards like ISO 9001, ISO/IEC 27001, ISO 45001, ISO 14001, and more.

We apply that rich knowledge and expertise to our courses, so unlike other providers, you learn directly from the source of the standard.

Unrivalled expertise

We're at the forefront of innovation and new standard development, helping industries transform.

Our dedicated experts stay attuned to global market trends, regularly updating courses and creating new content to reflect the current landscape.

This ensures you have the latest tools and skills to improve quality, build digital trust, achieve sustainability, and protect your people's well-being.

Last year we created 80+ new courses, growing our portfolio to over 450

Best-in-class tutors

If you ask our learners "what makes the BSI Academy different from the rest? they would tell you it's our people.

Our highly qualified tutors deliver inspirational learning that brings the subject to life, increasing knowledge retention, and accelerating the practical application of your learning.

BSI learners scored our tutors an average of 9.43/10 for effectiveness and competency

Trusted partner

BSI is a brand known for expertise and innovation, and this is no different when it comes to the BSI Academy.

We pride ourselves on the high-quality work we deliver. Our Mark of Trust is a promise of quality, trust and impact, and is recognized by millions.

"Partnering with BSI as our training provider brought us expertise and experience, and confidence that our internal auditors would

confident when it's displayed

be trained to a very, very high standard." Simon Morgan (Restore Digital)

Flexible learning

People learn in different ways, so we've devised a range of delivery formats to suit all needs. Whether you prefer learning in-person, online, ondemand or blended - we can provide a format that works for you.

150+ of our courses are now available via on-demand eLearning

"It's vital that our staff feel empowered to have impact in their roles. BSI helped us to develop these skills. The tutor was knowledgeable, made everything easy to learn and used real-life situations.

Phoebe Cramer

Whether you need to understand a standard, successfully embed a management system, develop the skills to carry out a full audit, or drive compliance across teams - we can help.

Learning for every level

From top-level management to the wider workforce, we're with you every step of the way.

Our average NPS score of 60 is outstanding

A community of like-minded learners

Your journey with the BSI Academy doesn't just stop after one course. All BSI learners gain access to our community of fellow professionals, where you can access discussion threads, support from tutors, and wider learning resources

Last year, 28,000+ learners accessed BSI courses

All BSI learners gain access to free eLearning content, webinars and whitepapers on key topics impacting organizations across the globe. All available online and 24/7 via the BSI Academy Portal.

Access to standards and resources

Many of our courses also come with free access to your relevant standard for 12-months, so you have everything you need to move forward.

Validate your skills

Our range of qualifications and accredited training courses are carefully selected to grow and validate competency, supporting career goals, and ensuring you're bestprepared to achieve your objectives.

Each course forms part of a wider learning pathway, so you can build your learning in a logical progression and achieve a BSI certificate or qualification.

We've awarded 6,000+ BSI Qualifications

We've always been dedicated to positively impacting people and the planet. Our profits are re-invested in the business, so we can continue to innovate, write new standards, and deliver free learning on important topics like suicide prevention, menopause, net zero, and more.

By choosing BSI, you're helping to shape initiatives that positively impact society.

Sustainability is both a guiding principle and a central focus for us, embedded into the fabric of everything we do.

Focused on sustainability

Using our own standards and solutions, we're committed to achieving an ambitious Net Zero 2030 target in our own operations.
